Sahaja Aharam Organic Foods

Sahaja Aharam Producer Company Ltd. (SAPCO), is a federation of several producer cooperatives spanning our operational areas of Andhra Pradesh, Telangana, and Maharashtra.

SAPCO is an initiative to connect farmers with consumers, build their entrepreneurial skills, and link their institutions to the market.

Today, we are a family of 66 cooperatives, 1 consumer cooperative, 2 federations of producer companies.

What do we do?

As a farmer-owned company, we directly work with the farmers, and help them adopt organic/natural practices, with better production planning, crop management, bio-inputs and post-harvest management. We also facilitate farmers' access to formal credit, insurance and markets.

Where do we produce?

We have our FPOs in almost 12 districts of our operational areas i.e., Ananthapur, Kadapa, Kurnool, Krishna, Vijayanagaram and Visakhapatnam (in AP), Jangaon, Yadadri, Siddipet and Adilabad (in Telangana) and Wardha, Yavatmal (in Maharashtra). The produce is aggregated and stored at FPOs, whereas process and packed at the hubs of Wardha, Jangaon and Vizianagaram districts.
